## Cast Your Vote For Highway Bonds Today

**Supervisors Pledge That Road Taxes Will Not Be Increased One Cent.**

Today is the day of the Highway Bond Election and from all indications, a big vote will be polled and the bonds carry. The following letter from the Supervisors should be a guarantee to even the most conservative tax-payer, since it assures the voters of the adequacy of the system as planned and pledges that there shall be no increase of road taxes whatsoever.

The letter follows:

Santa Rosa, Cal., May 12, 1919.

To the Voters of Sonoma County:

The Sonoma County Board of Supervisors has considerd the proposed good roads plan for Sonoma County and is back of it in every detail.

In order to get a fair and impartial plan which would be free from any local influences, we called upon the United States Office of Public Roads to lay out a road system for us

The plan to be voted on is their plan. It was laid out by W. H. Lynch Senior Highway Engineer of the Office of Public Roads, and has been endorsed by the United States Government. Needless to say it has our full approval.

The building of this system will save the county thousands of dollars each year, and if the people of Sonoma County will vote for good roads on May 24th, we promise that road taxes will not be raised one cent.

### HOME FROM ARMY SERVICE IN SCOTLAND AND FRANCE

Ray Cooper came home Friday week from army duties in Scotland and France and on Tuesday accompanied by his mother went to S. F. for the big parade. The young man who was in a hospital unit has traveled extensively but says there is no place like the good old U. S. A.

Ray is in excellent health and was benefitted in every way by his experience abroad. On Sunday a welcome home dinner party was given at the Cooper-Dunn home complimentary to the young patriot.

Among those who came up to greet him were Mr. and Mrs. Albert Duun and daughter Bernice, Will Munfrey's of Alameda, and the Oscar MacQuiddy family.

### SONOMA FIRM BUYS AND SELLS ALL KINDS OF POULTRY

The Western Produce Company which now has a poultry depot in Sonoma near the old Mission is buying quantities of all kinds of chickens, ducks, geese and rabbits from local producers. Shipments are made daily to S. F. The Company pays the market price and will be found courteous and square in all its dealing.

Dressed and live poultry may be purchased there at any time. The Western Produce Company is a welcome addition to the business life of Sonoma. See ad.

An interesting letter from Arthur Coops who has been on a furlough to Paris and Versailles will appear in our next issue.

## SOLDIER BOYS TO BE HONORED

**Natives Sons and City of Sonoma Will Compliment Our Returned Heroes.**

On June 14th Flag Day the Native Sons and Daughters of Sonoma's Parlors will give a gala time at Union Hall in honor of the 19 members back from war and all other Sonoma valley service men. Everything will be complimentary including program refreshments, music and dancing. J. F. Prestwood, P. Robin, E. C. Campbell, A. Groskopf, W. Helberg Philip Bill Jr., and Al Warriner are on the committee.

On the Fourth of July the City of Sonoma is planning an official welcome to the boys.

### SOLDIER BOY AND HIS MOTHER CELEBRATE

The Bish home was a scene of a fine dinner party last Sunday in honor of Mervyn Bish, home on a furlough and his mother, Mrs. L. M. Bish's birthday. After a splendid dinner all motored to Santa Rosa to the Cline theatre.

### GRAND OFFICERS VISIT Y. M. I.

Last Saturday night Grand President McInnes, Grand Sesretary, Geo. Stanley, P. G. P., J. D. Denebry and Grand Director Chas. Oliva paid the Y. M. I. a visit. There was a gala time at the W. O. W. hall with many Napa members in attendance also.

On Sunday the 25th Mass will be celebrated at Sonoma at 9 a. m. and at Boyes Springs at 11:30.

Mrs. Carter and Mrs. Dodge gave a dinner this week complimentary to Richard Dodge who celebrated his 21st birthday. Mrs. Anderson and daughters of New York were guests.

### PURCHASED RANCH

Tony Silva has purchased the Ludeman or Simon ranch of 32 acres. A portion of it is a fine full bearing orchard.

## GRAPE GROWERS NOW HOPEFUL

**Telegram From Congressman Lea Announcing President Wilson's Message on War Time Prohibition Encourges Vineyardists.**

The following telegram sent by Congressman C. F. Lea to J. W. Ford May 20th and made public here that afternoon filled our vineyardists and towns people with great hope that senseless war time prohibition would be nullified by Congress:

Washington, D. C.
2:39 p. m. May 20, '19

President Wilson in message to Congress recommends repeal War Prohibition act as to wine and beer, passage probable but not certain."

Clarence F. Lea.

Vineyardists of Sonoma valley declare that if Congress is just and not fanatical the wartime act will surely be expunged not only because the war is over but because no food value is in the grapes which go into our wines. Then the magnificient crop of dry wine grapes coming on this season can be harvested and thousands of tons manufactured into wines. Sonoma vineyards have been plowed and pruned at big expense for their owners would not permit their acreage to deterioate even tho confronted with confiscation and ruin The 1919 crop promises to be a heavy one with prices as high as $50 so Frank T. Sweet of Martinez believes.

Referendum petitions were circulated here this week against the natural Sheppard bone dry amendment and the Harris Enabling act passed by the State Legislature. 200 Sonoma valley signers quickly affixed their signatures, only four citizens refusing to sign. It will require 3, 4000 signatures in the state to get a place on the ballet in November 1920. In S. F. 15,00 were secured in two days. In Sonoma county 5,000 signatures are being secured.

By order of the District Attorney all saloons will close today, election day.

## GRAND BALL ON TUESDAY

**Eastern Star Affair To Be Social Event of the Season.**

A brilliant social event is looked forward to Tuesday evening May 27, which is the date of the Grand Ball given by Valley of the Moon Chapter, Order of Eastern Star, at the Womans clubhouse.. Messrs L. S. Simmons assisted by C. Burmester will be floormanagers and there will be card playing for those who do not dance.

## ZANE CITED FOR BRAVERY

**Nephew of Claude and Lucien Johnson Commended for Gallant Action In France.**

George Zane, Jr. a nephew of Claud and Lucien Johnson and son of former Sonoma Valley residents has been cited for bravery while under fire at Chateau Thierry over in France. The young hero has returned to his home in Woodland and will soon claim his bride Miss Grace Johnson, which by the way was his mother's maiden name and thus a happy coincidence.

Zane's folks treasure his citation from Col. J. W. Johnson.

### ANOTHER OF OUR SOLDIER BOYS ARRIVES HOME

Willie Sutter is home from France. The young soldier is a brother of Mrs. Joseph Vella.

Fine evidence of Sonoma Valley's growth and prosperty may be seen in the bank reports of this issue.

Jake Mayer, the Mayor of Vineburg, was in town Wednesday. Mr. Mayer says as a citizen of the burg bearing the name of the historic and poetic vine he is glad to hear of President Wilson's advice on the repeal of war time prohibition. The vine says the venerable resident of our valley was created by God and the bible teems with it. "Just as well banish the sun and the moon" declares Mr. Mayer. It is not only absurd he believes but is an insult to all that portion of our population which needs wine for sacraments in their churches "Sacrilegous and absurd" he thus characterizes prohibition.

## Apply For Permit To Operate Auto Bus Line

**SONOMA VALLEY AND MARIN COUNTY TO BE LINKED UP BY NEW SERVICE OF MESSRS BAINES, BOYNTON AND ANAZITOS**

The City Trustees of Sonoma have received formal application for a permit from the Marin-Sonoma transportation Company to operate a motor bus line through the City of Sonoma to San Rafael, the new line to connect Sonoma Valley's famous mineral springs with Marin county.

Messrs James Baines, Fred Boynton and Steve Aazitos are the progressive Boyes Springs residents who are the directors of the new enterprise which will fill one of the greatest needs of Sonoma Valley, improved transportation facility.

The company plans to make two trips daily, passing through Sonoma on all trips and putting on extra service Sundays and week ends. A fare of about 75c between here and San Rafael is probable with a reduction for all points below Schellville.

Applications to operate the new line have also been filed with the City Council of San Rafael and the Boards of Supervisors of Marin and Sonoma Counties.

It is the intention of Messrs Baines Boynton and Anazitos to put the new service into operation just as soon as the necessary permits are granted by the authorities including the Railroad Commission.

### HELBERG HOME FROM THE RHINE AND ARMY OCCUPATION

Fritz Helberg, who was a member of Battery D. 347 Field Artillary and who would have been in action within three days had the armistice not been signed is home after fine experience. A description of his trip into Germany with the army of occupation will be published next week.

### GLEE CLUB COMING

The U. C. Glee Club famed musical organization, is to give a concert here under the auspices of the High School on Thursday eve. May 29th at Union Hall. Dancing will follow the entertainment.

Mrs. Mary Carter and her attorney R. A. Poppe confirm the report that the Hall estate contest has been compromised with all parties well satisfied.

### A FREAK CHICKEN

Burbank has for a long time held a front line position in the production of the very best in all lines of poultry products, but now comes D. R. Wilson with a newly hatched Ancona with four legs and three wings. The chick was taken from the nest last Tuesday, and lived 48 hours. The freak was sold to Ed B. Dunning, of Los Angeles, who had it mounted by a taxidermist. —Pet. Courier

A. H. Rubke has received delivery of a new Maxwell car through the agency of Wm. F. Clewe.

Mr. and Mrs. A. R. Johnson of Glen Ellen were presented with a little son this week. Dr. Gobar was in attendance.

Attorney P. Muller, husband of Eugenie Berges Muller, died suddenly in S. F. this week of heart failure. Besides his widow he leaves eight small children.

DON'T WAIT
BUY NOW

NOW Is Reconstruction Time. The wheels of commerce, which give employment to millions, must not stop; only your purchases can keep them turning.

BUY only what you need—but buy; buy with an eye to quality and full value—for cheap, shoddy goods at a trifle lower price never brought a real saving to anybody.

BUT what you need—buy now. Waiting for possible reductions of prices on essential merchandise, which certainly cannot occur for some time to come, is an unwarranted hardship to you and an injustice to a nation which must have uninterrupted action in its normal buying and selling functions in order to realize the quickest possible return to unrestricted prosperity and full employment of labor.

## Vote For The Road Bonds Today And Give Sonoma County Its Chance

**TODAY** is the turning point in the destiny of Sonoma County. "There is a time and a tide in the affairs of men, which if taken at the flood, leads on to fortune". That the voters of every precinct in every district shall not avail themselves of this vital moment is unthinkable. By providing the money to build permanent highway in Sonoma county, our future will be assured. Not only should property owners to a man, get behind this proposition with every bit of influence which they can wield, but every lover of imperial Sonoma, every enthusiastic devotee should be interested to the utmost in seeing that Sonoma county comes into its own and takes the proud place which is rightfully hers—queen of all the counties in our Golden State. Perhaps Sonoma county's eligibility to this status may not be questioned, even by the silurian, the kind of an excrescence which like the moss on some fruit trees, saps the very life from them. The silurian by his continued presence proves his devotion to the locality, but either for political purpose to rally a few malcontents, he harps in negative tone, or opposes because of his narrow perspective, he seeks to retard a line of progress which has been widely demonstrated as the greatest step forward of any ever devised. Progress gathers momentum the instant we give it a chance to get in and the only way to give it a chance is to build smooth permanent ,modern highways. Even to the most uninviting, remote and hitherto ordinary sections, highways have brought prosperity. Where the pioneers and padres picked out and settled garden spots in California and the present day dwellers built roads into them which came up to the modern traffic requirements, the result has been beyond the expectations of the most ardent advocates. Desert, mountain, valley and sea shore sections have tried out the highway plan of advancement and expended millions on their roads. Sonoma is now submitting this course of procedure to its people and today will be decided the momentous question of our future. Since we should have the greatest faith in our future, all things being equal with other localities making a bid for development, the vote on this highway proposition today. should be conclusive evidence of it.

We have no more grafters, irresponsibles or parasites to the square inch than any other county and we have more history, beauty, diversity of crops and natural attractions than most sections, why, therefore, should we not vote the bonds today and provide the money to do this great development work which means carrying out a splendid, well difined road program.

Vote for the bonds.

## Public Spirited Men Are To Be Commended

**THE PUBLIC SPIRITED** residents of Boyes Springs whose enterprise and capital are responsible for the new motor transportation service to operate between this valley and Marin county are to be highly commended for their efforts to build up the valley at this time. We need the quickening of business arteries and in a naturally endowed, beautiful section such as this, transportation is the key to prosperity. When coupled with proper advertising, nothing can keep Sonoma Valley's fame from growing and its progress constantly increasing. We have the finest climate and best mineral water in the world and within a short distance of the metropolis, but this distance has hitherto not been properly bridged because of obsolete railway service and poor roads. With the building of the state highway, additional ferry service and the ever growing popularity of motor service, Sonoma Valley's future is evident and this fact has been grasped by the enterprising men back of the new transportation project which is to link us up with San Rafael a reasonable rates and on a schedule which will benefit everyone all along the line. Success to the new undertaking.

## Banking, A Community Service

**ONE OF THE NET** products of the war was the demonstration that banks are the strongest factor in community service.

In most cases the banks became the headquarters in the Liberty Loan drives and met the increased demand generously.

In nearly every city when called upon they put in additional desks and hired increased force to do the work necessary.

The bank is the keystone in the arch of community service and is the strongest asset for community spirit.

Banks are extending the community service idea to the country and are leading and specializing to produce farm prosperity.

So the old idea of a bank being hostile to the interests of the producers is being chanbed into mutual helpfelness.

There is no reason why there should not be the fullest co-operation between anf honest, well-meaning citizen and the local bank.

—Fort Bragg News.

**THE GOVERNOR** has signed a bill permitting hunters to have game in their possession five days after the season closes without being subject to arrest. How much happier the bill which would permit them to have the game in their possession five days before the opening of the season.

**EX-PRESIDENT TAFT** says that the Republicans will be the next party is power if it does not make too many mistakes between now and the election. Looks like the Democrats had a big start on the mistakes.

## HIGH SCHOOL REPRESENTED AT SOCIAL AFTERNOON OF WOMANS CLUB

The social afternoon of the Sonoma Valley Womans Club last Friday was under the direction of Miss S. Ward, a member of the High School faculty, and she presented a very interesting program with L. H. Golton as chief speaker and his fine talk preceded by the Girls Glee Club of the School and elocution offerings by Miss Portia Harrison, Meryl Bish and Major Phillips.

Mr. Golton spoke on the present trend and ideals of education.

Prof. Golton pointed out that "Where aims were formerly to teach subjects as perfectly organized logically, developed bodies of knowledge, now we believe that all knowledge ought to be subordinated to the activities of life—that we should no longer teach subjects but men and women. And that everything in high school which does not directly serve the purpose of training young men and women to take their places as active members of a democracy, must go."

At the conclusion of the interesting program, Mrs. Fred Schell, hostess, served tea and dainty wafers. There was a good attendance.

## THEODORE BEACH OF GALLANT 77th DIVISION RETURNS

Theodore Beach, who with his brother has been in France in the army and was a member of the gallant 77th division, arrived in Oakland Tuesday so he wired his folks here. War Deparrtment records show that the 77th made a larger advance than any of the American division in France. Of this division 1990 died in battle, 9,966 were wounded and 405 taken prisoners. Beach is a stalwart young soldier and his brother is still doing army work with the Knights of Columbus.

Tuesday afternoon at the home of Mrs. Jim Baines was the occasion of a very pleasant gathering as it was Mrs. Baines birthday.

During the afternoon a surprise shower was given Mrs. Jake Steckmeyer which included many dainty master pieces of the art of needle work.

Refreshments were served under a bower laden with roses and other flowers. After congratulations and best wishes bestowed upon the ladies the guests took their departure all voted having a very pleasant time.

Those present were: Mesdames, Bessie Pickens, Louise Paulson, Alice Norrbom, Mae Norrbom, Margaret Baines, Tessie Baines, Stickel, Andrews, Coots, Boulter, Gale, Strong, Dutil, Thomas, Steckmeyer, Cliff Freck, Mary Baines, Misses Thomas Baines and Andrews.

Mrs. Thomas and daughter are here from San Francisco and are at their summer bungalow near El Verano.

Chas Nivet of El Verano has added the C. H. Vodden strain to his Barred Rocks. Vodden's "General Pershing" won the grand prize medal at the Santa Clara Valley Poultry show as the best cockrel in the show. Nivet's chickens were already splendid stock but there will now be more quality than ever to Arragh Na Pogue Barred Rocks.

Ambrose Lazar, the painter, is now doing business at El Verano and says it is a live town.

## SONOMA VALLEY V QUOTA CLIMBS TO $103,400

By the additional subscription of $5,000 coming from the N. W. P. Railroad through the First National Bank of Sonoma, the quota of this valley had advanced to $103,400 on Wednesday.

W. L. Murphy was in Ukiah on business last Monday.

Postmaster Wagnon visited San Francisco on Tuesday.

## ODD FELLOWS HONOR OLD MEMBERS

J. M. Cheney, for 41 years a member of the I. O. O. F. Lodge here, was given a hearty surprise party Tuesday night in honor of his 80th birthday. The former Postmaster and Justice of the Peace was pleased beyond description when after the meeting of the Order, he found himself the center of a fine reception arranged for his anniversary. Not only was he surrounded by congratulating brothers, friends and relatives, but several of the latter, including his son, Clarence and his grand daughter, Mrs. Arvilla Rockhold, came from a distance to add to the pleasant surprise.

Mr. Cheney was presented with a Past Noble Grand's collar and it was a handsome one. Grover Rubke Noble Grand made the presentation and Mr. Cheney was much affected by this token of esteem from his brothers. A pleasing program was presented by Mrs. Pauli, Roy Pauli, Frank Knolle, Ralph Busby, Henry Weber, Jr., George Angove and others after which there was dancing and fine refreshments. A big birthday cake with the number 80 inscribed upon it was a feature. Many and sincere were the congratulations bestowed upon Mr. Cheney upon this happy occassion.

## SPEED BURNERS HERE MUST HAVE MONEY TO BURN AS WELL AS GASOLINE

Frankie Burns, former lightweight idol of the prize ring, struck out with his Stutz car so lively last Sunday while trying out the highway between Caliente and Boyes, that he ended up by being placed under arrest by Depaty Sheriff Joe Ryan. He was charged with speeding.

The ex-prize fighter had a couple of summer girls with him and was simply 'tearing up the track,. As he passed Boyes, the eagle-eyed deputy sheriff got his eye on the speed-burner and signaled him to halt. Burns took the count, admitted he was going some and appeared before Judge Small Monday where he reiterated his guilt. The Judge frowned under his judicial brow and fined the culprit $40.

Mrs. Cameron went down to the John McCormick song recital and upon her return home Monday was accompanied by Mrs. M. J. Power who has been visiting old friends here.

## THE TALE OF A LOST DOG

If any one accused
Jep Valente of
Peddling the bull
-Bull Dog-
Certainly!
I'd say he would
Go up in the air
But peddling the
Llewelyn setter
Is different
Every dog has its day
Also its master
Jep tried to
Wish a new day
And a new master
On this dog
I'm about to tell
You about.
It was a Llewelyn
Setter
And a friend of Jeps
Geo. Prindle of Santa Rosa
Owns one
And tells the world
"Love me (Prindle)
Love my dog"
And Jep thinks Geo
Is about right
He never gets left
On a smoke
You see Prindle
Is in the tobacco business
And Jep and Prindle
Are just like that
Well one day this week
Jep got his lamps
On a stray dog
It was Llewelyn all right
And our accommodating
Board of Health member
Jep
Is always on the lookout
For the rabies
And noticed the little stranger
And was thinking whether or no
He would summon the Pound Master
If we had one
When suddenly
It dawned on him
That the dog
Must be Prindle's
So Jep whistled
And the dog
Wagged right up
And he was quite
Sure
He recognized him
And so he shipped him
Up to Santa Rosa
Billed to Prindle.
A few hours later
A distracted lady
From out in the country
Was wildly searching
Sonoma
For a lost dog
What kind is he?
Jep inquired
I'm lucky finding dogs
Just then his phone
Rang
And he went in and
It was Prindle
Why the dog?
George inquired
Ain't one enough?
Then Jep got him
Slammed up the phone
And called to the lady
Say lady, a fellow
In Santa Rosa has got your dog,
I'm sure of it
He's collecting
Llewelyn setters
I'll report the case to Petray
And the lady
Got her dog back
And thinks Jep is
Just awful accommodating
I'll say he is.
